Equities - Rating System, Distribution and History

We have three ratings for stocks based on our current expectations of relative returns over a twelve month period:

- (i) OUTPERFORM (OP): As of the first issuance date of the rating, the stock's return is expected to exceed the return of the BIST100 over the next 12 months
- (ii) MARKET PERFORM (MP): As of the first issuance date of the rating, the stock's return is expected to be in line with the BIST100 over the next 12 months
- (iii) UNDERPERFORM (UP): As of the first issuance date of the rating, the stock's return is expected to fall below the return of the BIST100 over the next 12 months

Factors which may influence our ratings include: current market prices and conditions, operating issues and financing needs, macroeconomic trends and outlook, mergers and acquisitions and valuation. Valuation methods used by Garanti BBVA Securities include multiples of comparable companies, discounted cash flows, sum of the parts and other generally accepted methods that may apply to a particular case.

Price targets are provided based on the methodology explained above. Note that actual outcomes and results could materially differ from what is expressed, implied or forecasted in these price targets, as these involve risks, uncertainties and assumptions that are beyond the ability of Garanti BBVA Securities to control or predict. Future actions, conditions or events (affecting both market and non-market conditions, including those of a political or macroeconomic nature) and future results of the operations of subject companies may cause stock prices to differ materially from those expressed in this document.

Investment advisory services are provided by authorized institutions to persons and entities privately by considering their risk and return preferences. The comments and advice included herein are of a general nature. Therefore, they may not fit to your financial situation and risk and return preferences. For this reason, making an investment decision only by relying on the information given herein may not give rise to results that fit your expectations.

This document and its contents do not constitute an offer, invitation or solicitation to purchase or subscribe to any securities or other instruments, or to undertake or divest investments. Neither shall this document nor its contents form the basis of any contract, commitment or decision of any kind.

Therefore, investors should make their own investment decisions considering the said circumstances and obtaining such specialized advice as may be necessary. The information in this report has been obtained by Garanti BBVA Securities from sources believed to be reliable. However, Garanti BBVA Securities cannot guarantee the accuracy, adequacy, or completeness of such information, and cannot be responsible for the results of investment decisions made on account of this report. To the extent permitted by law, Garanti BBVA Securities accepts no liability of any type for any direct or indirect losses or damages arising from the use of this document or its contents. Investors should note that the past performance of securities or instruments or the historical results of investments do not guarantee future performance.

Garanti BBVA Securities or any of its salespeople, traders and other professionals may provide oral or written market commentary or trading strategies to its clients that reflect opinions that are contrary to the opinions expressed herein. Furthermore, Garanti BBVA Securities' proprietary trading and investing businesses may make investment decisions that are inconsistent with the recommendations expressed herein. No part of this document may be: (i) copied, photocopied or duplicated by any other form or means, (ii) redistributed, or (iii) quoted, without the prior written consent of Garanti BBVA Securities. No part of this report may be copied, conveyed, distributed or furnished to any person or entity in any country (or persons or entities in the same) in which its distribution is prohibited by law. More specifically, this document is in no way intended for, or to be distributed or used by an entity or person resident or located in a jurisdiction in which the said distribution, publication, use of or access to the document contravenes the law which requires Garanti BBVA Securities to obtain a licence or be registered. The remuneration system concerning the analysts responsible for the preparation of this report is based on multiple criteria, including the revenues obtained by Garanti BBVA Securities and, indirectly, the results of Garanti BBVA Securities in the fiscal year, which, in turn, include the results generated by the investment banking business; nevertheless, they do not receive any remuneration based on revenues from any specific transaction in investment banking.

The market prices of securities or instruments or the results of investments could fluctuate against the interests of investors. Investors should be aware that they could even face a loss of their investment. Transactions in futures, options and securities or high-yield securities can involve high risks and are not appropriate for every investor. Indeed, in the case of some investments, the potential losses may exceed the amount of initial investment and, in such circumstances, investors may be required to pay more money to support those losses. Thus, before undertaking any transaction with these instruments, investors should be aware of their operation, as well as the rights, liabilities and risks implied by the same and the underlying stocks. Investors should also be aware that secondary markets for the said instruments may be limited or even not exist.

No information in this report may be copied, modified, republished or exploited in anyway without the prior consent of Garanti BBVA Securities. Additionally, with respect to our statements above, all our claims and plea rights are covered in the regulations which apply in the countries that this report has been sent to.
